

Founded - 1961

COMMUNITY PARTNERSHIP OPPORTUNITY

Why Partner with the Melrose Makos?

In the heart of our North Phoenix neighborhood, there is a valuable non-profit educational center unlike any other, where children and families gather for aquatic training in a unique community setting. Our facility offers a competitive swim team through the Desert Swim League and swimming lessons for toddlers to adults. Our most valuable asset is the membership we serve who develop life long relationships with the residents in their community. Melrose is owned and operated by our membership. In addition to our competitive summer swim team program, we offer progressive swim lessons, lifesaving skills, masters swim, and a variety of recreational classes.

Your generous partnership will be used to allow us to continue providing an affordable, safe environment, make key facility upgrades and promote the health and general welfare of our community.

Melrose Paradise Recreation Club, Inc. is registered as a 501(c)(7) organization.

PARTNERSHIP OPPORTUNITIES

The Melrose Makos are a unified; dominate force in the sport of swimming. The facility was founded in 1961. We are a 501(c)(7) nonprofit organization and we rely on corporate partnerships to keep our annual dues affordable to the community. When you invest in Melrose, you are investing in childrens lives. Swimming is a sport that our participants will use for the rest of their life.

Depending on the level of your investment, your organization will receive year round exposure with thousands of members and guests that visit our facility on an annual basis.

Traditionally swim parents are very loyal to those organizations that partner with our team, and we sincerely appreciate your continued support!
